

FOSTERQUAN HOSTS GLOBAL ENTRY PREREGISTRATION WITH U.S. CUSTOMS AND BORDER PROTECTION (CBP)

FosterQuan has secured an appointment with U.S. Customs and Border Protection (CBP) to perform preregistration for Global Entry at our offices in Austin, Texas.

Global Entry is a Customs and Border Protection (CBP) program that allows expedited clearance for pre-approved, low-risk travelers upon arrival in the United States. Registered and pre-cleared participants can bypass long wait times at immigration inspection upon arrival in the U.S. The government is also in the process of extending the benefit of the program to expedited security screening by the Transportation Security Administration (TSA) for domestic air travel (TSA Pre ✓™).

Who can enroll?

U.S. citizens; U.S. lawful permanent residents; Dutch citizens and Mexican citizens.

What are the next steps?

Step 1 – Register online prior to April 17th

In order to participate in the registration event at FosterQuan, please apply online at (<https://goes-app.cbp.dhs.gov/main/goes>) prior to April 17th.

Upon completion of the online application, please email **Last Name, First Name & PASSID** to GlobalEntry@fosterquan.com. The "PASSID" has nine digits and consists of number and characters. It either starts with a letter or the sequences of numbers 981 or 982 (e.g. 982123456 or R82123456). Should you have problems finding the PASSID please call the CBP customer help desk at 1-866-530-4172 for assistance.

Note: The Global Entry program fee is \$100 for five years. Most Important: If you are charged \$50, you are applying to the wrong program.

Step 2 – Attend 10 minute interview with CBP at FosterQuan on April 24th

CBP will conduct enrollment interview at our offices at **100 Congress Ave, Suite 1500, Austin, TX 78701 on April 24th between 7:30 am and 3:40 p.m.** We will provide the specific time slots prior to the event. This is an excellent opportunity because there are no other locations currently available in Austin to enroll in the program. The closest enrollment locations are in Dallas or Houston.

Please feel free to share with your colleagues who travel internationally on a frequent basis and would be appreciative of the convenience and time savings benefits of this program. Please also see [our Global Entry information page](#) for more details.
