## **TINDALL & FOSTER, P.C. ATTORNEYS REGULARLY REPRESENT CLIENTS FOR VISA APPLICATION AT THE U.S. CONSULATE**

**To Request an Upcoming Appointment Reserved for Tindall & Foster  
Clients in the Month of November, Contact your Immigration Attorney**

Tindall & Foster, P.C. attorneys regularly accompany nonimmigrant visa applicants to the U.S. Consulate in Matamoros, Mexico for purposes of visa application. In most cases, visas are issued on a same-day basis, thus enabling frequent and short-term travelers a more convenient option for obtaining a new or “renewed” nonimmigrant visa in advance of overseas travel. Individuals interested in applying for nonimmigrant visas during November and December should contact their Tindall & Foster immigration attorney. An experienced immigration attorney will screen each applicant, coordinate the travel, prepare the necessary documents, and accompany applicants for visa application and through re-inspection and admission to the United States.

For further information and to complete a brief online questionnaire enabling attorney evaluation of potential applicants, please visit the Tindall & Foster, P.C. web page containing the [Visa Application Questionnaire](#). Interested applicants should complete the form and submit it along with information regarding upcoming international travel plans and preferred visa application time frames.

Future Tindall & Foster, P.C. trips accompanying visa applicants will be regularly posted on the Tindall & Foster, P.C. web site and will be announced in future Tindall & Foster, P.C. Email Bulletins.
